Genesis 30:25-43

Last week:

Ponder and Listen . . .

1. What is the dream, the desire, the need that you are still willing to manipulate for?
2. None of us got off to a good start – but God _____! (His works)

MORE DRAMA

- Laban may have received his insight through “*divination*”. v. 27
- Jacob refused a gift. “*you shall not give me anything*” v. 31
(I don’t like your hidden surprises!)
- Laban took control of Jacob’s flocks, but left his own flocks under Jacob’s care. v. 35
- Human drama, chaos, conflict, and pain still happens when we seek to control, and we give just a small nod to God.

LIES WE CAN BUY INTO

- Blessing is the fruit of my efforts.
- The blessing is about me.
- My blessings are earned and deserved.
- I can do this without God.
