

UNHEALTHY TOSSED SALAD

Genesis 33:1-20

There's more transformation work to be done.

- Jacob is playing favorites with his family. But at the same time, is becoming the humble servant to Esau. v.1-3

- Jacob exaggerates to cover up. v.13

- Israel is still acting like Jacob.

- Jacob deceives his brother again. v.14, 16-17

- Jacob misses an opportunity to model what it's like to live fully in a trust relationship with God.

God is the hero of this story.

- You can't be the hero of your own story.
