

# Grandparent Impact - 2

Genesis 48:12-22

**Last week:**

- 1) Jacob adopted his grandchildren.
- 2) Jacob cherished his grandchildren – they are a gift, not a burden.

- 3) Jacob tells the story of God's involvement in his life.  
v.3-4, 15-16

No need for embellishment.

Faith and response must be personalized.

Matthew 16:17

- 4) Jacob gives blessings. v.16, 19-20

We can impart a vision, describing a potential that is bigger than our grandchildren can imagine or believe about themselves.

1 Corinthians 2:9 -12
